## Message From the Principal

Thank you for supporting our AzMERIT test takers last week. We appreciated students' on-time attendance and the positive attitudes in and out of the classrooms.

As part of our safety plan review, I wanted to remind our school visitors to sign in at the front office. Please wear the visitor's badge or sticker at all times when on campus. When leaving campus, please sign out and return the visitor's badge. It is not necessary to return the sticker. Your cooperation and patience is appreciated as we work to strengthen and refine safety and security procedures.

Save the date for our Title I Spring Showcase, April 19. The evening is packed with amazing opportunities: Health and Safety Fair, Classroom Projects, Bike Rodeo and musical performances. Dinner will also be served, so remember to turn in your RSVP to the front office.

The prestigious Lamp of Learning award celebrates and thanks staff members and community members for their unique, exemplary contributions and for all the extras that they do to support the education of our students. This year, two of the extraordinary people selected are from Moon Mountain: Ms. Kyra Harris, speech pathologist and Mr. Tim Cullison, Oasis volunteer and Washington Education Foundation member. Please join me in congratulating them. Honorees will be recognized at the Lamp of Learning Awards Dinner on Friday, May 4, 2018.

Teacher and Staff Appreciation will be celebrated during the week of May 7. Please join me in thanking our wonderful teachers and staff for the amazing job that they do each and every day. Our PTSA will host a delicious, and much appreciated, luncheon on Wednesday of that week for the entire staff.

PTSA will also be holding elections for officers on Tuesday, May 8, at 6:00 p.m. in the school library. Only members are able to vote, but everyone is welcome to come and support the process.

Thanks,

Sue Brown  
Principal

## REMINDER TO PARENTS

Please remember that students are not to be dropped off in the morning before 7:10 a.m. There is no teacher supervision before that time.

Also in the morning, please either park your car and walk your student into the building or drive along the drop-off route and let him or her off on the sidewalk. Do not drive between the rows of cars and let your student off, it is too dangerous with cars driving through and other parents backing out of spaces. Students and parents need to cross at the crosswalk in front of the school.

Thank you for your continued cooperation in the matter.

## SECOND GRADE NEWS

The second graders are very excited to be working on their autobiographies! The students are drafting, editing and creating final copies of their books, which will be shared at our Moon Mountain Title I Spring Showcase on April 19. We have been spending time reading fiction and non-fiction texts, and asking and answering questions about the texts. The second graders are becoming experts at proving their answers by using the text as evidence. In math, we have been focused on using place value strategies to add and subtract 2 and 3-digit numbers. Ask your child to show you their favorite strategy! We are looking forward to another quarter of learning and growing in second grade. The students will be ready for third grade in no time!

## MUSIC NEWS

In music class, third grade is preparing for their recorder concert on April 19. Third graders can wear a red, white or blue tee shirt and jeans. They need to arrive to Miss Alkire's music room by 5:45 p.m. The concert will start at 6:00 p.m. It will be held in the cafeteria.

## FIFTH GRADE NEWS

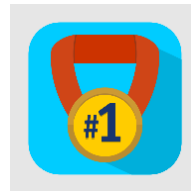

Fifth graders have been busy working on their Science Fair projects. We have conducted experiments with salt water and eggs, balance scales and balloons, fingerprints, and vinegar and baking soda. We will culminate our studies on April 19 when we showcase our very own projects during our Science Fair Night. We invite all our students, families and friends to come out and see how creative our students can be.

Please continue to send in your collection of General Mills Box Tops for Education. The classrooms are competing against one another to see whose class can send in the most. The PTSA will be organizing a party at the end of the year to celebrate the winning class. Thank you for your support.
